Presents

## *Auto-Buzz...*

*A.Y. 2021-22 ODD Semester Newsletter*

### Vision Mission of The Department

To be well known department for technical and social education in automobile engineering for betterment of society.

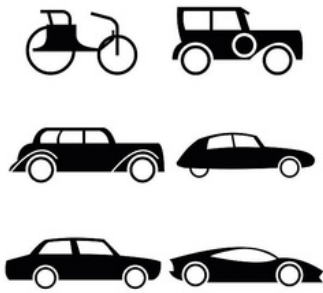

- To impart knowledge to perform experiments and solving problems in automobile engineering
- To empower the students with use of appropriate engineering tools and technology by considering impact on environment and society
- To develop Automobile Diploma Engineer with professional skills and ethical values by working as individual or team
- To build up the students for higher education, employability and entrepreneurship through quality education

### Message From HOD

It's my pleasure to introduce department newsletter Auto-Buzz for the Odd Semester of A.Y. 2021-22. To begin with I would like to congratulate the member of the news-letter for taken much effort in bringing out excellent articles and organizing it in systematic manner. Automobile Engineering department is striving towards the goal of providing innovative and quality education with high standard to achieve academic excellence. The MSBTE results are Excellent for last semester and it shows a rising trend due to efforts of our faculty

Mr. P.T.Hasabe  
HOD

## History of the Department

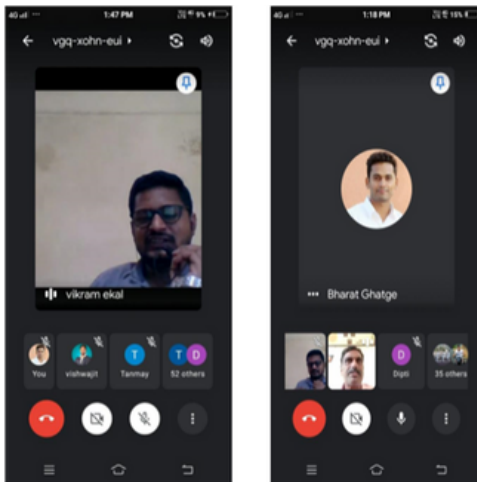

The Department of Automobile Engineering is established in the year 2009 with a sanctioned intake of 60 along with the establishment of institute

## Key points of the Department

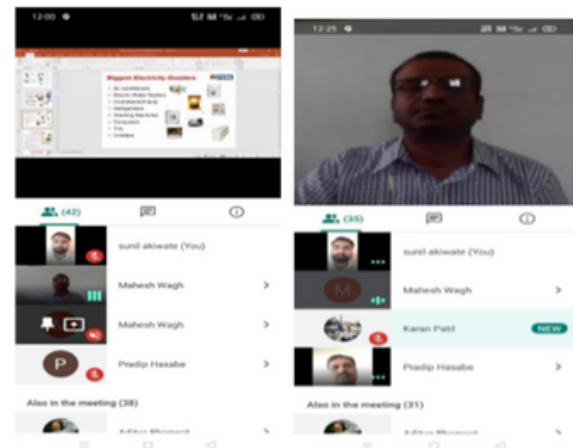

- 100% Placement of final year students
- Excellent Results of final year students
- 100% Faculties Deputed for Higher Education
- In-plant Training & Industrial Training Provided for all Students
- Well-developed Laboratories

## Major Events Conducted at department

### Online Industrial Experts Lecture on Importance of Measurement System in Industry Conducted on 23rd May 2021

In guest lecture Mr. Vikram Ekkal gives important information on Performing measurements with the same reference throughout all processes. Measurement plays an important role in processing, assembly, inspection, and shipping makes it possible to create products that match the design exactly and which will enhance the guarantee as well as product quality

### Expert Lecture On Energy Conservation and Energy Audit conducted on 21st May 2021

Mr. Mahesh M. Wagh why Conservation of energy is the most important part in energy audit. Energy audit is a process to determine when, where, why and how energy is used in a plant or building. Collection of these information helps to identify the situation where there is need to improve energy efficiency and decrease production cost

## Quiz Master Online Technical Event

We Automobile Engineering Department of Ashokrao Mane Polytechnic Vathar organized "Quiz Competition" in online platform with help of Google meet & Google form applications student from our premises & also from other colleges successfully participated in that event.

## Expert Lecture On Electric & Hybrid Vehicles conducted on 19th May 2021

Dr. Satyajit R. Patil explained various topics like Importance of Electric & Hybrid Vehicles also discussed the need of this technology in future. Electric and hybrid vehicles gives new idea for students to innovate new technologies in this field

## Faculty Successfully completed Higher Education with university Rank

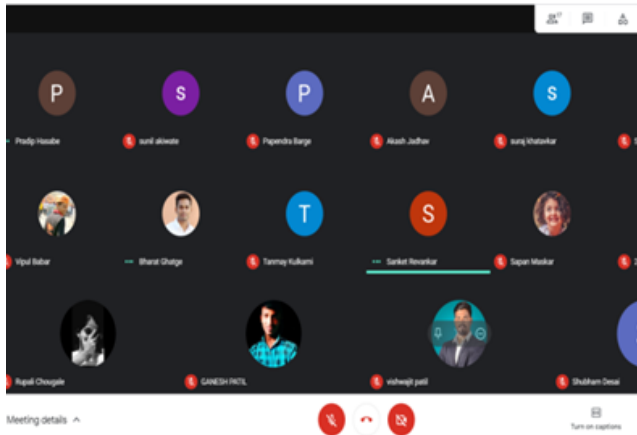

Our Faculty Members Mr. B.Y.Ghatge and Mr. V.V. Patil Successfully completed their post graduation in Masters in Technology with University rank First and Second Respectively They have also Presented and published their research work papers at international conference

## Faculty presented and Published their research work at international conference

## Alumni Meet

In this Alumni Meet Mr. P.T. Hasbe and all staff had discussion with pass – out student on various problems regarding industry and future scope of various field. Because of this alumni were aware about future scope in various field. Alumni also suggest innovative ideas and ask questions regarding how to improve their experience in various fields

## Students Placement in Bajaj Auto Ltd Pune

Our Final year students of current batch (2021-22) got selected in Bajaj Auto Ltd Pune with package 1.8 LPA Selected Students are Priyanka Chaugule, Vaishnavi Narandekar, Tejaswini Patil, Pratiksha Patil, Rajashri Bhosale, Shreyas More, Amit Potdar and Yasin Nadaf

## Our students Achievement

Our Third year Automobile Engineering student Mr. Kartik Rajkumar Harale Batch(2020-21) worked as Lead Actor, Writer in Marathi Short Film KALOKH released on 23rd May 2021 From the Rural area it is one the proud moment for us to have our student in such big entertainment platform.

## Students Placement in Mubea Automotive Components Pvt Ltd

Our Final year students of current batch (2021-22) got selected in Mubea Automotive Components Pvt Ltd. Selected Students are Rakesh Patil, Akash Patil and Shreyash Patil

## कौमी एकता सप्ताह (राष्ट्रीय एकता सप्ताह)

Department has organised Brain- storming session on Secularism of India on the occasion of **KOUMI EKTA SAPTAH** on 20th November 2021

The Session was inaugurated by Head of the department Mr. P.T.Hasabe, Mr. B.Y.Ghatge has delivered session on Secularism and Mr. S.A.Khatavkar has given Vote of thanks.

All departmental staff, Students of SY and TY were present during the Session.

## Clean Campus Program under NSS

NSS committee of college has arranged the clean campus program on 4th December 2021 as per the guidelines by MSBTE circular.

The event was inaugurated by Hon. Principal Prof. Y.R.Gurav and all HODs.

Students of Automobile Engineering were actively present during the program. Students have cleaned campus area and made good contribution towards society
