

VISION MISSION OF INSTITUTE

VISION:

- Strive for excellence in quality technical education and social responsibilities to create competent technocrats for the social welfare.

MISSION:

- To provide a scholarly and vibrant learning environment that enables students to achieve professional growth
- To impart quality technical education through content beyond programs to fulfil industrial requirements.
- To provide programs focusing on the holistic development of an individual and inculcating social as well as environmental responsibilities.
- To strengthen interaction with industries for empowering the students to work in adverse conditions.

VISION MISSION OF DEPARTMENT

VISION:

Strive to develop competent civil engineers, with academic excellence, knowledge and quality education to make significant contributions in holistic growth of society.

MISSION:

- To impart quality education with strong experimental knowledge.
- To provide our students the latest learning techniques and modern materials knowledge in all sectors to make them nationally **RECOGNISABLE** civil engineer.
- To provide a dynamic learning environment that emphasizes on problem-solving skills, team work, and communication and leadership skills.
- To train students with soft skills and other training programs for their future jobs and higher studies.

ABOUT THE DEPARTMENT

The department of civil engineering was started in the academic year 2009-2010 with an aim of promoting high quality education in the field of civil engineering. The academic activities of the department emphasize deep understanding of fundamental principles, development of creative ability to handle the challenges of civil engineering and the analytical ability to solve the problems which are interdisciplinary in nature. The department currently offers diploma in civil engineering program affiliated to the Maharashtra State Board of Technical Education, Mumbai (MSBTE) curriculum. The curriculum broadly covers the engineering subjects of related fields such as surveying, building materials, concrete technology, estimating & costing, geo-technical engineering, design of steel structure, hydraulics and irrigation engineering, public health engineering, solid waste management, highway engineering. The teaching is assisted with digitalised presentation for better understanding of the students. Industrial visits are being arranged for students to gain knowledge regarding implementation. Every year technical symposium REFLEX is organised for students to explore the knowledge and interact with students of other colleges. Department magazine is being published yearly to develop and improve their inter personal skills. The students are motivated by development programmes like CESA (Civil Engineering students association). The Civil Engineering Students Association (CESA) is working effectively to share the information and to help the society.

Our department also provides assistance in placement of students those who want to do job.

FROM THE HOD'S DESK

Construction industry is currently growing with latest technologies and now there is a huge demand for civil engineers for satisfying the demand of infrastructural development. Civil engineers will always be needed to maintain and repair existing facilities and structures and to construct new ones. The service of civil engineers is inevitable in the entire government department in the modern race. Not only in government department but also in private and public sector industries, research and educational institutions etc. This college provides excellent quality education and working condition. The department has well equipped laboratories to perform experiments and endeavour to provide better technical facilities in days to come. Our focus is on excellence teaching and training the students with emphasis to well equip them for challenges and opportunities. It gives immense pleasure to lead the Department of Civil Engineering. Our college is one of the leading institutions unique like a prism reflecting the manifold shades of learning and co-curricular activities.

The Department is striving hard towards the goal of providing innovative and quality education with high standard to achieve academic excellence. Excellent infrastructure, well equipped laboratories, teaching faculty of the best kind ensures quality education and bright future of students.

Mr.A.B.Warke
Head of Civil Engineering Department,
Ashokrao Mane Polytechnic, Vathar

EXPERT LECTURES

INDUSTRIAL SAFETY

Expert lecture on topic "Industrial Safety" was organised on 4th March 2022. The expert for this lecture was Mr. Amar Dua , Assistant Manager, Safety Engineering,KEC International Ltd.

EXPERT LECTURES

SKILL DEVELOPMENT

Expert lecture on topic "Skill Development" was organised on 27th April 2022. The expert for this lecture was Mr. Arjun Koli,, Ex-soldier, Indian Army,

CONTROL OF CONCRETE

SANKALP 2K22

ANNUAL SOCIAL FUNCTION

'SANKALP' is an yearly event that allows students to showcase their talents, overcome stage fright and gain confidence. It is a week long fest that includes celebration of various days such as traditional day, twins day, funny games, food stalls, cultural bonanza, etc.

This year civil engineering department took the lead in organizing article making, poster, mehendi and rangoli competition.

SANKALP 2K22

ARTICLE MAKING COMPETITION.

Article making on theme "Best from Waste" and poster making competition was organised by civil department.

SANKALP 2K22

POSTER MAKING COMPETITION

Poster making competition was organised for students on themes -

1. Peace Not War
2. Covid-19 And Lockdown
3. Role Of Youth In Nation Building
4. Role Of Society In Environment Conservation

SANKALP 2K22

RANGOLI COMPETITION

Rangoli competition was organised for students on themes -

- 1) Corona Virus
- 2) Swachh Bharat
- 3) Energy Conservation
- 4) Women Empowerment

SANKALP 2K22

MEHANDI COMPETITION

This mehendi design was eye catching as it has the picture of our respected patron Hon. Late. Ashokrao Mane Sir.

OUR TOPPERS—OUR PRIDE

SUMMER 2022 EXAM

Congratulations on your well-deserved success.

THIRD YEAR TOPPERS

GAYATRI A. PATIL
87.26%

PRANAV B. PATIL
84.32%

VANSHIKA G. KUMBHAR
83.58%

SECOND YEAR TOPPERS

VISHWAJIT S. PATIL
82.08%

AAKANKSHA S. SHINGADE
81.03%

ABHISHEK U. KHARADE
70.08%

THANK
YOU
