Newsletter April 2015

Issue: 2, Volume: 2

Principal's Desk

(Prof.A.A.Vagyan)

It is a great pleasure for me to welcome you to **Ashokrao Mane Polytechnic**. In this very dynamic and competitive educational environment, the college is in the process of providing quality education and re-position itself to meet the challenges. Meeting and measuring up to the emerging challenges is the prime function of today's students. To do this, it requires keen perception, flexibility and the ability to merge theories into action plans. We believe in providing students with hands-on training that will further hone their technical skills with soft skills. We believe in giving our students the competitive advantage in the business world, by encouraging them to be inquisitive and make informed choices. Apart from the prescribed curriculum by the MSBTE, our college structures customized special programs based on specific requirements of the industry with a focus on priorities. Periodic quality audits are conducted to ensure effective teaching, class room management, efficient documentation and judicious review of teaching learning process. **Ashokrao Mane Polytechnic** is committed to play a key role in creating an ambience for nurturing the leaders of

tomorrow. In doing so, we hope to make significant contributions to the development of the country and improvement in the quality of life of its citizens. I welcome you to explore our College as we commit ourselves to reach even greater heights.

HOD's Desk

(Mr. Y. R. Gurav)

“A good head and good heart are always a formidable combination. But when you add to that a literate tongue or pen, then you have something very special.”

This newsletter has been named to pay tribute to his contribution to the field of Science & Engineering. This newsletter is an attempt to show case the department profile and its activities. It is an attempt to encourage both faculty and students to publish their technical work and share information about their extra-curricular activities. I thank our Principal and the management for helping and guiding me in bringing out this newsletter. I also thank my students and colleagues for their help and support during this work. “The best leader is the one who has sense enough to pick good men to do what he wants done, and the self-restraint to keep from meddling with them while they do it.”

Editor's Desk

It gives me an immense pleasure to release this News Letter of the Computer Engineering Department of year 2014-2015. It's an honor for me to highlight the achievement of department.

Mr. Y. R. Gurav (HOD)

Student's Editorial

It's an honor for us to be the student editor of the Newsletter team. We take this opportunity to thank committee members and all staff members of the department for their help & support in publishing this Newsletter.

-Miss. Dhavalshankh Puja D. (TY CO)

-Mr. Tiwari Kartikeya S. (TY CO)

ABOUT THE DEPARTMENT

The department of Computer Engineering was established in the year 2008 with the objective of imparting quality education in the field of computer Engineering. The department is well known for its advanced computing facilities and high profile staff. It offers a diploma program with a sanctioned intake of 63 students. The Department has a server room, nine laboratories in LAN with internet, a seminar room, a departmental library, one class room and offices for faculty and staff. All these labs and locations are connected through a LAN in order to provide modern teaching and learning environment and fast access to the Internet of 10Mbps leased line (1:1). All teaching and supporting staff members are actively participating in various academic, co-curricular and extracurricular activities of the

Department and college. Computer Department has grown to a modest and aims towards producing qualified software professionals. Department is persistently engaged in quality improvement. Over the years, the department has promised to become a center of excellence providing in-depth technical knowledge and opportunities for innovation and research.

VISION:

To be well recognized department in technology to meet the growing needs of the industry and society.

MISSION:

- Imparting quality education through a well-designed curriculum which improves basic and disciplinary knowledge of the subject.
- To train the students to design, develop and test world class software systems.
- To inculcate the spirit of analysis, teamwork, innovation and professionalism among the students.
- To train students with hard and soft skills for their future jobs, higher studies and to be an entrepreneur.

OUR TOPPERS

Third Year Topper

1) Miss. Desai Shakira A. (83.00 %)

2) Miss. Dhavalshankh Puja D. (81.75 %)

3) Miss. Patil Komal R. (81.50 %)

Second Year Topper

1) Miss. Shinde Snehal Alias Sonal U. (77.77 %)

2) Mr. Sutar Suraj G. (67.88 %)

3) Miss. Chougule Sonali S. (66.47 %)

“TECHNICAL EXPERT LECTURE”

STUDENT ACHIEVEMENT

Ashokrao Mane Polytechnic and Department of Computer Engineering has organized Industry Expert Lecture on **Project Completion** dated 28/02/2015.

First, we inaugurated their program and done the felicitation of expert by Prof. Y.R.GURAV (Head of Dept. of Computer Engineering) offering a memento as a token of love.

This Industry Expert Lecture is delivered by Mr. A. A. Wadikar (Director, Vishwanet Computers, Kolhapur). This Expert Lecture had organized according to curriculum of M.S.B.T.E, This Industry Expert Lecture is very helpful to students to improve their knowledge related to **“Project Completion”**, also is important for their academic point of view. Students took participation very interestingly and made very good interaction with expert.

We discussed various queries regarding **“Project Completion”**.

“TECHNICAL EXPERT LECTURE”

Ashokrao Mane Polytechnic and Department of Computer Engineering has organized expert lecture on **Cloud Computing** dated 13/02/2015.

First, we inaugurated their program and done the felicitation of expert by Prof. Y.R.GURAV (Head of Dept. of Computer Engineering) offering a memento as a token of love.

This expert lecture is delivered by Dr. D. S. Bhosale, (HOD CSE, Assistant Professor, AMGOI, Vathar). This expert lecture had organized according to curriculum of M.S.B.T.E, This expert lecture is very helpful to students to improve their knowledge related to **"Cloud Computing"**, also is important for their academic point of view. Students took participation very interestingly and made very good interaction with expert.

We discussed various queries regarding **"Cloud Computing"**.

TECHNICAL EVENT **"Refelex 2K15"**

Ashokrao Mane Polytechnic and Department of Computer Engineering had organized Technical Events on **"Refelex 2K15"** on 06/03/2015

First, we inaugurated their program and done the felicitation of Guest Executive Director .Dr.D.N.Mudgal by Mr. Y.R.Gurav (Head of Dept. of Computer Engineering) offering a memento as a token of love.

This event is organized under by COMPESA.

This Paper present competition event as well as Project Competition event is very helpful to students to improve their **knowledge** also is important for their academic point of view. Students took participation very interestingly.

SOME OF GLIMSESS

PRVC IEEE student's private Limited pune.30.1.2015 to 1.02.2015

As per msbte curriculum we planned industrial visit at PRVC IEEE student's private Limited pune.

This is all about the improvement of student's technical skill.Mr.chetanPatil Managing Director of PRVC.IEEE students give the information of their working schedule and about software development life cycle.

Also they give brief knowledge about their current software project and clients, they are developing toll plaza's software they uses data warehousing and .net technology for this project. In short time we just visited to some historical place like janjira fort and alibagh with attached all respective required.
