**Principal's Desk**

**Prof.A.A.Vagyan**

It is a great pleasure for me to welcome you to **Ashokrao Mane Polytechnic**. In this very dynamic and competitive educational environment, the college is in the process of providing quality education and re-position itself to meet the challenges. Meeting and measuring up to the emerging challenges is the prime function of today's students. To do this, it requires keen perception, flexibility and the ability to merge theories into action plans. We believe in providing students with hands-on training that will further hone their technical skills with soft skills. We believe in giving our students the competitive advantage in the business world, by encouraging them to be inquisitive and make informed choices. Apart from the prescribed curriculum by the MSBTE, our college structures customized special programs based on specific requirements of the industry with a focus on priorities. Periodic quality audits are conducted to ensure effective teaching, class room management, efficient documentation and judicious review of teaching learning process. Ashokrao Mane Polytechnic is committed to play a key role in creating an ambience for nurturing the leaders of tomorrow. In doing so, we hope to make significant contributions to the development of the country and improvement in the quality of life of its citizens. I welcome you to explore our College as we commit ourselves to reach even greater heights.
