## Department Of Computer Engineering

### President's Desk

**Hon.Shri.Vijaysinh Mane**

ShriBalasaheb Mane ShikshanPrasarakMandal, Ambap was established in the year 1980 by Late ShriAshokraoPandurang Mane, Founder and President, with the aim of promoting education in Southern part of Maharashtra State. The journey to spread education was started with a secondary school in the year 1980.ShriBalasahebMane ShikshanPrasarakMandal, now runs 29 Institutions comprising of Schools, Teachers Education, Agriculture, Pharmacy, Polytechnic, Engineering and Management Studies.

Ashokrao Mane Group of Institutions (Integrated Campus) was started in 2009 to promote Technical Education and Management studies in this part of Maharashtra State.

### Executive Director's Desk

**Dr.D.N.Mudgal**

"I am very glad to interact with you through our newsletter. I am sure that after entering into Ashokrao Mane Polytechnic, you will enjoy & appreciate our campus which is spread across 14 acres of lush greenery with well-planned infrastructure. Our disciplined students well qualified and devoted teaching faculties &non-teaching staff is again our plus point. No doubt, our students of Diploma will become the best artisans, technicians, innovators and pillars of India. My Best Wishes to all of you."

### Principal's Desk

(**Prof.A.A.Vagyani**)

It is a great pleasure for me to welcome you to **Ashokrao Mane Polytechnic**. In this very dynamic and competitive educational environment, the college is in the process of providing quality education and re-position itself to meet the challenges. Meeting and measuring up to the emerging challenges is the prime function of today's students. To do this, it requires keen perception, flexibility and the ability to merge theories into action plans. We believe in providing students with hands-on training that will further hone their technical skills with soft skills. We believe in giving our students the competitive advantage in the business world, by encouraging them to be inquisitive and make informed choices. Apart from the prescribed curriculum by the MSBTE, our college structures customized special programs based on specific requirements of the industry with a focus on priorities. Periodic quality audits are conducted to ensure effective teaching, class room management, efficient documentation and judicious review of teaching learning

process. **Ashokrao Mane Polytechnic** is committed to play a key role in creating an ambience for nurturing the leaders of tomorrow. In doing so, we hope to make significant contributions to the development of the country and improvement in the quality of life of its citizens.I welcome you to explore our College as we commit ourselves to reach even greater heights.

## Editor's Desk

It gives me an immense pleasure to release this News Letter of the Computer Engineering Department of year 2015-2016 It's an honor for me to highlight the achievement of department.

**Mr. Y. R. Gurav(HOD)**

## Student's Editorial

It's an honor for us to be the student editor of the Newsletter team. We take this opportunity to thank committee members and all staff members of the department for their help & support in publishing this Newsletter.
-Miss.Dhavalshankh Puja D. (TY CO)
- Mr. TiwariKartikeya S.(TY CO)

## ABOUT THE DEPARTMENT

The department of Computer Engineering was established in the year 2008 with theobjective of imparting quality education in the field of compute rengineering.Thedepartment is well known for its advanced computing facilities and high profile staff. It offers andiploma program with a sanctioned intake of 63 students.The Department has a server room, nine laboratories in LAN with internet, a seminar room, a departmental library, one class rooms and offices for faculty and staff.Througha LANin order to

Provide modern teaching and learning environment and fast access to the Internet of 10Mbps leased line (1:1).All teaching and supporting staff members are actively participating in various academic, co-curricular and extracurricular activities of the department and college.Computer Department has grown to a modest and aim towards producing qualified software professionals. Department is persistently engaged in quality improvement.
