Principal's Desk

Prof. A. A. Vagyani

It is a great pleasure for me to welcome you to **Ashokrao Mane Polytechnic**. In this very dynamic and competitive educational environment, the college is in the process of providing quality education and re-positioning itself to meet the challenges. Meeting and measuring up to the emerging challenges is the prime function of today's students. To do this, it requires keen perception, flexibility and the ability to merge theories into action plans. We believe in providing students with hands-on training that will further hone their technical skills with soft skills. We believe in giving our students the competitive advantage in the business world, by encouraging them to be inquisitive and make informed choices. Apart from the prescribed curriculum by the MSBTE, our college structures customized special programs based on specific requirements of the industry with a focus on priorities. Ashokrao Mane Polytechnic is committed to

play a key role in creating an ambience for nurturing the leaders of tomorrow.

HOD's Desk

Mr. Y. R. Gurav (HOD)

“A good head and good heart are always a formidable combination. But when you add to that a literate tongue or pen, then you have something very special.” This newsletter has been named to pay tribute to his contribution to the field of Science & Engineering. This newsletter is an attempt to show case the department profile and its activities. It is an attempt to encourage both faculty and students to publish their technical work and share information about their extra-curricular activities. I thank our Principal and the management for helping and guiding me in bringing out this newsletter. I also thank my students and colleagues for their help and support during this work

HISTORY OF THE DEPARTMENT

Ashokrao Manepolytechnic vathartarvadgaon and Department of Computer Engineering has established in 2008.
