

Date: 09/04/2015

| Sr.No | Name of Faculty | Name of Publication | Date year of publication on Impact Factor |
|-------|-----------------|--|---|
| 1. | Mr.Y.R.Gurav | 1. A Review On Side Information Entangling For Effective Clustering Of Text Documents In Data Mining | Volume 5 Issue 6 Pages 7239-7242,2014 |
| | | 2. Fuzzy Based Text Document Clustering Using Side Information In Data Mining | 2015,3.155 |
| 2. | Mr.Barwade D.S | 3. Implementation Distributed Network Services using SSO for secure Mechanism | 30 Nov 2014 |
| | | 4. A Review on Distributed Network Services using SSO for Secure Mechanism | 11 Nov. 2014 |
| 3. | Mr.Kale D.R | 1. A Survey On Big Data mining application and different challenges | 11 Nov 2014 |
| | | 2. A Result paper on Investigation on Incremental Detection Problems in Distributed Data | 12 Dec. 2015 |
