Sr.No	Name of Faculty	Name of Publication	Date year of publication on Impact Factor
1.	Mr.Gurav Y.R	1. An Improvement in data privacy & security by Providing visualization – Review	April 2016
		2. Opportunities and future scope in text data web mining	20 April 2016 Impact Factor 3.155
		3. A Reviews on extensive security of commercial web sso system	25 Jan 2016 Impact Factor 3.785
		4.Enhancing Performance of Text Document Clustering using Side Information in With Fuzzy Logic	28-29August 2015
2.	Mr.Lakade S.A	1. An Improvement in data privacy & security by Providing visualization - Review	April 2016
		2. Opportunities and future scope in text data web mining	20 April 2016 Impact Factor 3.155
4.	Mr.Barwade D.S	1. A Reviews on extensive security of commercial web SSO system	25 Jan 2016 Impact Factor 3.785
		2. A Survey On Investigation Incremental Detection Problem in distributed Date	9 Sept. 2015
5.	Miss.H.A.Patil	1. A Review paper on paralleled big data algorithm with Mapreduce Framework for mining twitter data	05 Jan 2016 Impact Factor 3.785
6.	Mr.Kale D.R	1. An Improvement in data privacy & security by Providing visualization - Review	Issue 4 2016
		2. A Reviews on extensive security of commercial web SSO system	25 Jan 2016 Impact Factor 3.785
		3. A Survey On Investigation Incremental Detection Problem in distributed Data	9 Sept. 2015

7.	Miss.S.Y.Apradh	1. A Study Of Detection And Elimination Of DataInconsistency in Data Integration	Jan-Feb 2016 Impact Factor-3.632
8.	Miss.Patil T H	1. A Novel Approach of weakly supervised of Weakly supervised Model for Comparable Entity Mining	23 July 2015 Impact Factor-3.785
