## **ELECTRICAL ENGINEERING**

### **AMP,VATHAR**

**SAVE ELETRICITY FOR STRONG TOMORROW**

## **INSTITUTE VISION**

Strive for excellence in quality technical education and imbibe social responsibilities to create competent technocrats for the betterment of society.

## **DEPARTMENT VISION**

Commitment for excellence in the field of Electrical Engineering and empowering students in technical, social aspects for betterment of society.

## **INSTITUTE MISSION**

- M1. To provide a scholarly and vibrant learning environment that enables students to achieve professional growth.
- M2. To impart quality technical education to fulfil industrial requirements.
- M3. To develop culture for holistic development of an individual and inculcating social as well as environmental responsibilities.
- M4. To strengthen relationship with industries for empowering the students to work in adverse conditions

## **DEPARTMENT MISSION**

- m1. Impart strong fundamental and applied technical knowledge in the Electrical Engineering.
- m2. Organize expert lectures, workshops, industry visits for knowing new technology.
- m3. Educate graduate students in research, scholarship and intellectual life.
- m4. Produce competent and skilled electrical engineers to meet ongoing industrial requirement.

## **HIGHLIGHTS**

- Message from HOD
- Major Events
- Students Achievements

**Editor : Ms.P.B.Bachche**

# FROM HOD'S DESK....

The department of electrical Engineering established in the year 2010 with a sanctioned intake capacity of 60 students. Our department has been accredited by National Board of Accreditation (NBA) and also consistently awarded with excellent remark by MSBTE Mumbai. Our Department leads to implement Energy conservation techniques in the institute. Our department has an enthusiastic team of qualified and experienced teaching and non-teaching staff.

To enhance effective teaching and learning process our department has made efforts towards arrangement of different trainings, workshops and guest lectures. The main focus of department is on placement of student in reputed organizations, as a part of this, department has arranged various training and placement activities every year in association with TPO cell.

# DEPARTMENTAL MAJOR EVENTS

## EXPERT LECTURE

- Expert Lecture by Academician

- Expert Lecture by Industry Expert

- Expert Lecture organized on PLC Fundamentals

On 25th Nov 2021, we organize Expert lecture for Third Year Students at 09:15 am. Expert lecture had given by Prof.A.V.Kumbhar on the topic of 'PLC Fundamentals'. Ms.N.S.Mulla was coordinator for this expert lecture. Students get brief knowledge of Ladder Diagram of PLC system, different speed control techniques using PLC and motor speed control using SCADA based drive operated system.

- Expert Lecture organized on Energy Conservation & Audit

Our Department arrange expert lecture on 26th November 2021, for Third Year students for enhancing effective teaching and learning process. This Lecture given by Prof.A.S.Dhamangaonkar. The guest lecture was preceded by talk on what is Energy conservation and its importance. He emphasized need of energy conservation and audit for the development of engineering applications with specific examples.

# Technical WORKSHOP

- Two Days Technical Workshop on PCB Designing and Layout

- **Expert Lecture by Alumni**

Our department organize expert lecture for Third Year students on 9th Dec 2021. The lecture was conducted by our Alumni Mr.Shantanu S.Sankpal, on the topic 'Electrical Engineering Scope in future'. Interaction between alumni and students was the main intention of this lecture. our alumni shared his experience which will helpful for our students during higher studies.

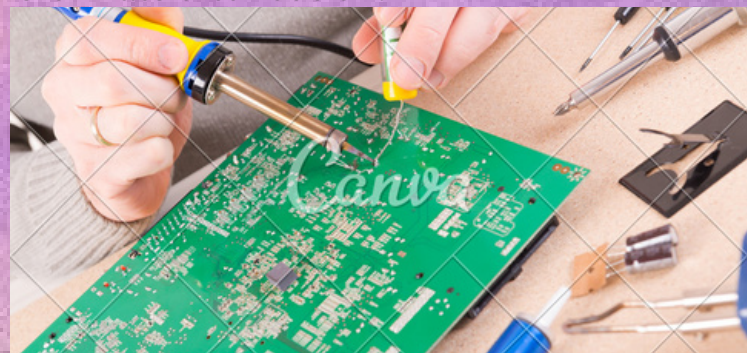

Expert lecture by Alumini

- **Dignitaries on the occasion of inaugural function of Two days Technical workshop**

Our department organized a two days workshop on PCB Designing and Layout on 03 Dec 2021 and 04 Dec 2021. The resource person was Mr.Shardul Karandikar. The workshop was preceded by a short talk on what is PCB and its types also PCB designing and its applications. The workshop was received admiration of students and they found that will help them in future. The workshop ended with thanks of guest and certificate distribution.

Expert Lecture was conducted by our Alumni Mr.S.S.Sankpal

# कौमी एकता सप्ताह

Vigilance Awareness Week 2021 Independent India@75 Self Reliance with Integrity from 29 Oct to 1 Nov 2021. Under this Program, On 24 Nov 2021 Women's Day was celebrated in our department. Hon.Principal Mr.Y.R.Gurav was the Chief guest for this program.This day was celebrated to mark the women's Empowerment. Women's full and effective participation and leadership in of all areas of life drives progress for everyone. Yet, women are still under represented in public life and decision-making.

Our SY and TY students willingly participated in this program. We arrange some relevantly speech of students.

## कौमी एकता सप्ताह

महिला सबलीकरण दिन

## STUDENTS ACHIEVEMENTS

- Placed students in Bajaj Auto Ltd,Pune.

Our 20 students from third year class of academic year 2021-22 had selected in Bajaj Auto Ltd,Pune.

- Placed students in Mubea Automotive PVT Ltd,Pune.

Final Year Students of Electrical Engineering Department Placed in Mubea Automotive PVT Ltd,Pune.
